

CITY BREAK ZAGREB 2013

Welcome to Zagreb, the capital city of the Republic of Croatia. Zagreb is an old Central European city and for centuries it has been a focal point of culture and science and in recent times of commerce and industry. It lies on the intersection of important routes between the Adriatic coast and Central Europe. Zagreb is also the hub of business, academic, cultural, artistic and sports worlds in Croatia. It offers its visitors the Baroque atmosphere of the Upper Town, picturesque open-air markets, diverse shopping facilities, abundant selection of crafts and a choice vernacular cuisine. Zagreb is a city of green parks and walks, with many places to visit in the beautiful surroundings. The city will enter the third millennium with a population of one million, and in spite of the rapid development in the sectors of economy and transportation, it has retained its charm and a relaxed feeling that makes it a genuinely human city. Hope that you will spend great time in Zagreb.
